Hi Jill.

I'm reaching out for a couple of reasons. But before I get to them, I wanted to thank you for making the decision to run for City Council. It takes commitment and drive to put your hat in the ring and to campaign, and if you win to then put in the necessary hard work to serve the four year term. Speaking as one person living here in Sebastopol, I'm truly impressed by the willingness of all five candidates to step up to serve the town. We are so fortunate to have so many community-minded people here in Sebastopol.

Now to get to my reasons for reaching out.

First, I wanted to let you know that I've got a posting on my website that provides information on all the candidates. Can you take a look and let me know if there's anything you'd like me to change or add to the information I'm providing about you? The webpage is [HERE](#).

Second, I'd really appreciate the opportunity to meet with you one-on-one. I'd like to get a better sense of your goals and (of course) to share with you any information you feel might be helpful. This Thursday afternoon looks fairly flexible for me so far, or I have some availability next week on Tuesday, Wednesday, and Thursday afternoons. Or of course we could look at a date sometime after next week. Maybe you could give me a few time-slots that work for you and we could go from there? As to format, in person would be my preference, if that's OK with you. Coffee or lunch maybe?

Third, you'll see below the email I just sent out to my Email Outreach List. My main purpose was to make sure as many people as possible attend the Candidate Forum tonight. I'm really looking forward to it, and I'm hoping you have a really good turnout.

Thanks again for stepping up to offer to serve this really wonderful

little town.

I look forward to hearing from you.
