Businesses Behind the Scenes Walk

Saturday, 9:00 am Meet at the downtown plaza
Leaders: Diana Rich & Sandra Maurer

Enjoy a lovely Springtime walk around town, and get a private peek into the real workings of our local businesses. This walk includes behind the scenes tours and talks at the following:

The Studio of Patrick Amiot (known for his unique, quirky, and whimsical art that he creates from recycled metal and other materials),

Michael Anthony Bootmaker (an old style bootmaker who produces one of a kind, very special, hand made custom boots for his customers),

Sarmentine Artisan Boulanger (the commercial kitchen of a bakery known for fabulous breads, pastries, sandwiches, and more (& yes, you get a treat here),

JG Switzer (a custom felting shop that that has become the go-to for specialty interior designers..and answers the question, "what can be done with that old auto upholstery machine?"),

Goldfinch at The Livery (check out this great new restaurant that's packing in the crowds (and get a bite of something special too), and

Bohemian Stoneworks (custom concrete designers that mix specialty colors and use unique materials to create pieces that are both functional and artistic).
