Saturday, 9:00 a.m. - Meet at the downtown plaza

Want to take a Foodie Walk? In July three Sebastopol City Council Members will lead a walk to some of our town's local featured restaurants. Councilmembers Diana Rich, Una Glass have teamed up to join Vice Mayor Neysa Hinton this year for iWalkiEat 3. Three council members, walking with short stops to experience in town food samples along the way. Plan to learn more about Sebastopol's food scene from the owners and managers along our walk route and discover a new restaurant you may not have known about. If you have done this walk before, plan to visit some favorites combined with new discoveries.
